

Water Mixable Oil Paint Course

<http://www.paintbasket.com/go/wamo>

Welcome to the course, I hope you are going to enjoy it.

Here is a list of equipment we will be using during the course:

Recommended Equipment

Here are the list of the paints we will use during the course:

Titanium White
Lemon Yellow
Cadmium Yellow Hue
Yellow Ochre
Cadmium Orange Hue
Cadmium Red Hue

Crimson Alizarin Hue
French Ultramarine
Coeruleum Hue
Sap Green
Raw Umber
Burnt Sienna

If you have not used the Georgian water mixable oil paints before then I recommend you get this starter pack which has all the colours I use except for Raw Umber and Burnt Sienna, so you can just purchase them separately:

You can purchase the set on Amazon by clicking [HERE](#)

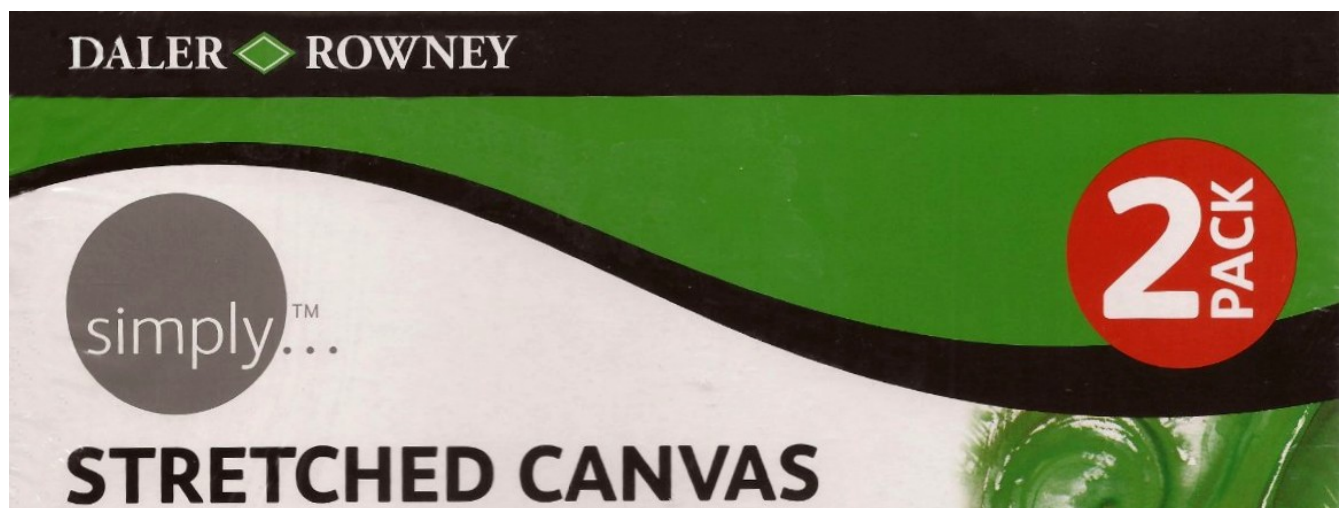

Throughout the course I use the Robert Simmons and the Simply Simmons brand of brushes which you can [purchase on Amazon](#) as well.

The oil you will need is the Georgian water mixable linseed oil and the bottle looks like this:

The oil can also be [purchased off Amazon](#).

The brand of canvasses used during the course are the Daler Rowney Simply range of canvas panels. The size we will work on is 16" x 20". The label looks like this:

and can be [purchased on Amazon HERE](#).
